Testimonial to Reedlink

As the worlds leading business referral organisation with over 110,000 members worldwide and over 13,000 members in the UK, it is essential that our suppliers are able to deliver on time and within budget.

Reedlink supply us with printed materials that are used all over the UK at more than 600 meetings per week. They have always delivered on time, on budget and the print quality has been excellent. I would have no hesitation in recommending them as a first class supplier of print.

Lastly, our contact at Reedlink, Julie Mole, has been a pleasure to work with and we look forward to continuing our partnership with Julie for many years to come.

A handwritten signature in dark ink, appearing to read 'David O'Dell', is written over a light background.
