To whom it may concern

We have been a customer with Reedlink Limited, since May 2003.

During those 4 years I have found them to be very professional and courteous.

We have approximately 8 products produced by Reedlink on a regular basis, and they are handled with the greatest efficiency, from start to finish.

Delivery schedules have never been a problem and they have always gone the extra mile if we have had an urgent request.

We hope to have a good relationship for a very long time.

Yours faithfully

George Kyriakides
Managing Director
